Dear Faculty Adviser,

Please respond to the following **four** questions about your prospective honors student and return your completed form to the Department of Communication Undergraduate Adviser by the application deadline.

Student Name: _____

1. Based on the student's writing sample (and any additional knowledge of their abilities from courses taken with you), briefly describe your assessment of the student's academic writing and critical thinking abilities.
2. What do you find compelling about the student's proposed project, generally, and the student's conception of their project, specifically?
3. What is your assessment of the student's commitment to undertaking and completing an independent research project in a rigorous and extended program of study?

4. Please provide any additional insights regarding this student that may influence their performance in the program.

Faculty name: _____

Date: _____
